

LEAF 25th Anniversary Celebrations Call for Planning Committee Volunteers

LEAF turns 25 years old on April 17, 2010! This anniversary is an opportunity to celebrate our achievements as an organization; to celebrate and reflect on the gains of the Canadian movement for equality for women and girls; and fundraise for the organization's future.

We invite current and alumni members, supporters and volunteers to help us organize a series of 25th anniversary activities/events including a birthday celebration that will be remembered for another 25 years!

Membership

The planning committee will be comprised of current and former members of LEAF Branches or Affiliates, national committee members, LEAF volunteers, staff, and donors as well as youth or students who are not otherwise active in LEAF.

Commitment

Committee members must be available for up to two (2) hours of teleconference meetings per month starting January 2009 increasing in frequency up to April 2010; and one to two in-person meetings in Toronto or another location.
