

Our advertisers support equality for women and girls under Canadian law.

The Persons Day Breakfast Gala is the largest annual fundraising event for the Women's Legal Education and Action Fund (LEAF). The gala attracts over 600 attendees from private, public and academic sectors and community building members from the social justice movement.

Our 30th anniversary Persons Day Breakfast Gala will feature Dr. Cindy Blackstock, the executive director of the First Nations Child and Family Caring Society of Canada.

The LEAF 30th Anniversary Program booklet will be a full colour, high quality, keepsake item. Each guest will receive a Persons Day Breakfast Gala booklet.

Don't miss your opportunity to advertise your business in our event program and reach out to your targeted demographics, while supporting LEAF's vital work for substantive equality.
